KU Leuven | 2014 - 2019

Graduated

Top 5: IEEEER8 Student Paper Contest 2020

SUMMER PROJECTS

DIY drone

- Arduino, flight controller
- PID, motor control

Coding projects

- Web development
- Android development

MAXIM VAN DEN ABEELE

Electrical engineer

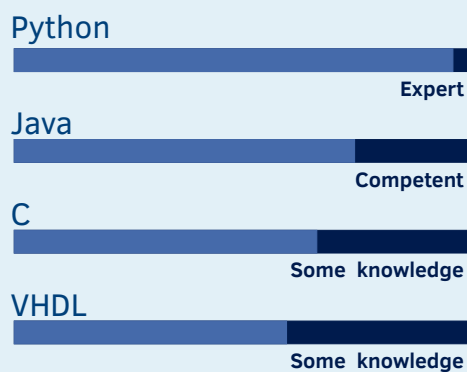

Abilities & Strengths

- Quick learner
- Positive attitude
- Problem solving
- Team player
- Self motivated

Hobbies

- Hiking & running
- Acrobatics
- Programming
- Snowboarding
- Surfing
